The Queen of Bavaria was pretty, One hunting-day the King started early, join him, but I went to see the Queen anc and a half. It caused talk, and the King \\ and when they met again he scolded her Should I have shown him the door ? I pa gallantry afterwards, for they followed me to Italy, where they were always after me riages that were breaking down every mi take them into mine; they were with me in reality, I was not annoyed because it lowing of kings.

December 21st. Whatever they say, I ca make the reputation of the governor. All of him, of his bad behaviour, of his ideas oJ will be believed.

25th. War is a singular art; I can as fighting sixty battles taught me nothing I at the first one. The essential quality of firmness, and that is a gift from heaven.

January 7th, 1818. What I admire in Great is not his campaigns, which we hav judging, but his political instinct. His go: was a profound political stroke; he ther<
